

TREATMENT DESCRIPTIONS

SPIRIT OF HERITAGE

Start your journey towards balance and serenity with a foot soak in aromatic warm water. As your feet soak, we will apply a heated scented neck wrap to relax your shoulders. Enjoy this first part of the ritual with herbal tea or fruit infused water.

As we move into the second stage of the journey, your feet will be met with a 15 minute "sole revival" foot massage. Once your feet have been thoroughly restored, allow the rest of your body to disappear into the warmth and healing of our Himalayan Salt Stone massage. This 110-minute journey is sought to leave your senses fully awakened and spirit in balance. **\$285**

SPUN GOLD

A relaxation massage that begins with gentle dry brushing of the skin. Hot stones are then placed upon the back, soothing sore muscles. Warm chamomile oil infused with flecks of gold is massaged into your skin, creating a sense of calm and peace. All this while crystals cleanse your chakras. **80 Minutes \$195**

HERBAL FARMPRESS MASSAGE

SALT & SUGAR SCRUBS

Salt scrubs are the more abrasive of the two. The minerals in the sea salt are natural purifiers, helping to remove toxins from the pores while promoting better circulation and tightening of the skin. Sugar scrubs being less abrasive are better for those with sensitive skin. The glycolic acid in sugar helps to protect the skin from harmful toxins and also acts as a moisturizer.

Both the salt and sugar scrubs are infused with oil, helping to leave your skin feeling silky smooth.
