doTERRA

Essential oils can play an important role when it comes to taking care of your own and your family's health. Whether you are applying essential oils topically, enjoying the aromatic benefits through diffusing, or taking essential oils internally, and the positive, healthful effects of essential oils are boundless. DoTerra is committed to providing the purest, most potent essential oils as possible. DoTerra provides only certified pure therapeutic grade oils to its customers.

EMINENCE ORGANIC SKIN CARE

We believe in providing the best skin care products possible. Our products are proudly free of parabens, animal by-products, propylene glycol, sodium lauryl sulfates, harmful colorants, and fragrances, mineral oils, petroleum, and other harsh cosmetic chemicals. We continue to use hand-picked and hand-mixed fresh ingredients to create products that contain potent healing and beautifying properties. Many of these ingredients are combined with pure waters drawn from a thermal hot spring lake containing minerals and trace elements found nowhere else on earth.

FARMHOUSE FRESH

Each product is made with up to 99.6% natural and naturally-derived ingredients. Everything we make is paraben and sulfate free and our fragrances are all natural or phthalate free. Many of our products are also vegan and gluten free. We love crafting complex and scrumptious fragrances, but we also offer a range of products made with only essential oils if that is your preference!
